

Brooke Stanley

Brooke is a 2005 graduate of Ohio Hi-Point Career Center (OHP) and Urbana High School. She took class at OHP in nursing and received her STNA certification. Ohio Hi-Point has an excellent Tech Prep program in Allied Health. The instructors and curriculum are top quality. Brooke landed a job with Mercy Center in Urbana utilizing her STNA certification. She has been working at Mercy since her junior year of high school. This is providing her with experience for her future occupation. Brooke decided to attend Clark State after graduation from high school. Having the Tech Prep scholarship is helping Brooke attend Clark State. She also earned 10-14 college credits when she came to Clark State in her high school program through the Tech Prep articulation. Tech Prep has helped Brook smoothly enter college in the career of her future. She plans to get her Registered Nursing license and work in a hospital.
